

# Part 1: READ

## How does it work?

- ⇒ By Registering for our program, you will get a random registration prize the first time you do Summer Material Pick-Up.
- ⇒ By registering for our reading challenge you are automatically entered to win the grand prize for your age group.

## PRIZES FOR EACH DAY OF READING (RECOMMENDED 20 MINUTES OR MORE):

- ⇒ For every day you read and log, either through this weekly paper form or our google form, you will get rewarded. These rewards are as follows:
  - Raffle Tickets: For each day you read and log you will get 1 raffle ticket to put in for your choice of prizes displayed in the library.
  - Bells: For each day you read and log you will get 1 bell to spend at our Weston Library Summer Store.

## ADDITIONAL PRIZES:

- ⇒ More Bells: If you read each day of the week you will get an additional 3 bells to spend. For each book completed, you will get an additional 2 bells to spend.
- ⇒ Grand Prize Entries: For each book completed you will get 1 extra entry into our grand prize raffle for your age group.
- ◆ Grades 6 and up: You have the choice to trade bells for scratch offs that may have extra chances at the grand prize instead of spending bells at summer store. Request these from Miss Alessandra.

Note: We will collect these logs through the summer. Those students that need to turn logs in to their teachers in the fall, can pick up the logs as a packet with cover sheet for teachers after the program ends. Pickup will be after August 23rd.

## Reading Log (Enter the title of the book (s) you read for that date.)

Put a check mark next to the title if you would recommend. Highlight books you FINISHED.
