

## OVERVIEW

Hoopla is an online service offered exclusively through libraries that provides access to movies, TV shows, music, audiobooks, eBooks, and comics. They can be accessed by using a computer or mobile device.

This service is provided free to Weston Public Library users. All users have immediate access to Hoopla's entire catalog of content, which can be checked out any number of times. Currently, library patrons are limited to **six** checkouts per month. The Library will review this limit regularly to determine if more checkouts can be made available.

Hoopla adds new content periodically, and there are hundreds of thousands of available titles. To see if Hoopla has a title you want, simply search or browse for it. Anyone may look through Hoopla's collection, even without a library card, though a card is needed to check anything out.

## HOW TO USE

- Register for a Hoopla account by visiting **hoopladigital.com** or using the free Hoopla app on your iOS or Android mobile device. You will need to provide an email address, create a password, and have your library account information ready.
- Get started by selecting **Browse** on your computer or, in the app, selecting a format (Audiobooks, Comics, eBooks, Movies, Music, Television, or BingePasses) that you would like to explore. You can also search for a specific title by clicking on the **Search** box or magnifying glass and typing in your title(s)/keyword.
- To borrow a title, click on the title and then click the **Borrow** button. Your borrowed titles can be played right after borrowing, and found under the **My Hoopla** tab for viewing/listening.
- Borrowed titles will be automatically returned when your lending period is over. There are no holds, wait lists, or late fees for any Hoopla instant title.
- If you need additional help, visit the help section on our mobile app, or click on the Help link found at the bottom of **hoopladigital.com**.

## TERMS OF USE

Users must live in Weston and have a current Weston Public Library card, which must not be blocked by fines.

Each person may check out **six** titles per month. These titles can be selected from any combination of the available formats. The number of checkouts resets at the 1st of each month.

Once an item's lending period is up, it will automatically be returned, so no late fees will be incurred. There are no renewals, but if you need more time to finish the item, you may simply borrow it again. Since all titles are available an unlimited number of times at once, there are also no holds.

Parents are advised to take note of what their children may be checking out through Hoopla. Hoopla offers content appropriate for a variety of ages and interests. Hoopla and the Weston Public Library offer no restrictions on what content each user may access.
